

Dear parent/carer,

We're taking part in a friendly times tables (and division) competition in Years 2-6. The competition runs from 07:30 GMT Monday 14th November to 19:30 GMT Wednesday 16th November. It's all done online via playing TT Rockstars.

Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily time limit of 60-minutes per player. In other words, each player can earn competition points for up to 60-minutes between 07:30 GMT and 19:30 GMT on 07:30 GMT Monday 14th November to 19:30 GMT Wednesday 16th November. Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

Children will be spending some time on TT Rockstars in school but in the spirit of the competition, please encourage and support your children to also get involved at home.

If your child has lost their login information or are having any difficulty accessing TT Rockstars, please speak to their class teacher.

Thank you for your continued support.

Mrs Morgan

Deputy Headteacher
