

Coronavirus (COVID-19): Risk Assessment Action Plan

Maidensbridge Primary School

Assessment conducted by: Mrs K Thomas	Job title: Headteacher	Covered by this assessment: Maidensbridge Primary School
Date of assessment: November 2021	Date of next review: January 2022	

The sole purpose of this risk assessment is to support schools **with reducing the risk of coronavirus transmission**. The risk assessment has been written in collaboration with a number of local authorities.

- For the purpose of this risk assessment, the term ‘coronavirus’ to refer to coronavirus disease 2019 (COVID-19). Schools must ensure that this risk assessment reflects the local setting and context of the school. Staff must be consulted with regard to this risk assessment (this must take into consideration all types of workers including agency workers, casual staff and contractors and any other adult on site as well as your permanent staff).
- This risk assessment is not exhaustive and is issued to schools as a template to assist in the production of a comprehensive document that covers the particular circumstance of the setting – **as such, the risks and risk controls should be deleted/amended/added-to to reflect the school.**
- This should be viewed alongside relevant advice and guidance from the Department of Education and reflect any additional subsequent guidance issued to schools.
- For further reference and updated guidance, <https://www.gov.uk/government/latest?departments%5B%5D=department-for-education>

The yellow highlighted aspects of this risk assessment are measures that are not in place currently but may have to be if cases rise considerably.

Key:	
Level of risk prior to control	Identifies the risk before any steps to reduce the risk have been taken
Risk Description:	Outlines the area of concern. This list is not exhaustive, and schools should add/amend/delete where appropriate e.g. risks for pupils with complex needs.
Risk Controls:	The measures that will be taken to minimise the risk. These are generic and should be adapted for the school context. Add <additional information>
Impact:	Could be L/M/H or numeric, depending on what is used in the school setting.
Likelihood:	Could be L/M/H or numeric, depending on what is used in the school setting. NB IF IMPACT AND LIKELIHOOD ARE BOTH HIGH, THEN THE ACTIVITY SHOULD BE STOPPED UNTIL ADDITIONAL CONTROL MEASURES ARE PUT IN PLACE.
Responsible person:	The identified staff member(s) responsible for implementing the risk controls.
Completion Date:	The date by which required plans for controls will be in place. To support planning, identify which controls need to be in place before pupils return to the setting. Individual schools can then personalise to their own setting.
Line Manager Check:	Sign off to ensure that the risk has been minimised as far as possible.

School-specific arrangements relating to risk assessment that may need additional detail:

Capacity and organisation of teaching spaces

- Each class will be their own bubble and will have a teacher and teaching assistant attached to that bubble.
- Furniture needs to reduce the opportunity for children to be facing each other, so should be all facing the front or some back to back arrangements. This will be different for EYFS, where the 3 key worker groups will maintain distance from each other.

Arrival to and departure from school

Year Group	Start and finish time	Entrance and Exit
R	8.45am-3.15pm	Reception Playground via Main Office pathway
1	8.55am-3.25pm	Year 1 Playground via Main Office pathway
2	8.35am-3.05pm	Hall Entrance via Beachcroft Road driveway
3	8.45am-3.15pm	Hall Entrance via Beachcroft Road driveway
4	8.55am-3.25pm	Maidensbridge Road Entrance
5	8.45am-3.15pm	Maidensbridge Road Entrance
6	8.35am-3.05pm	Maidensbridge Road Entrance

- Families also have the option to drop all of their children at their youngest sibling’s time and location to avoid multiple pick ups and drop offs. The older children must not touch anything in the bubble that they are arriving in and must go to wash their hands immediately before arriving at their own bubble.
- If children or staff are wearing face coverings due to traveling on public transport, they will be asked to remove these while at school. Government guidance states that these are not needed in schools. Children and staff must wash their hands before and after removing the face covering and then either dispose of the mask in a bin or put in their own bag. Unless there is an alternative arrangement agreed with the classteacher.
- Parents and visitors will wear face masks on school site at all times
- Staff will wear face masks to walk through the clubs using the school for lettings, to collect and hand over children to parents and if in a meeting where social distancing can’t happen (lettings are not currently happening)
- Staff can wear visors or face masks when working 1:1 with a child of feeling vulnerable

November 2021

- Staff meetings and SLT meetings will now be undertaken as much as possible through Teams
- Parents evening will be undertaken on Teams

Movement around the school

- One way system in main corridor
- Designated toilets for particular year groups
- Children will eat sandwiches in the classroom supervised by a dinner member of staff, hot dinners will be taken to the hall and will be supervised by another member of dinner staff and the kitchen team
- Assembly will be remotely delivered in classrooms by K Thomas
- Designated days for each class for indoor and outdoor PE. Indoor can use equipment such as mats and benches but it must be cleaned after use.

Classroom allocations

- Each class is a bubble with a teacher and teaching assistant attached

Timetable arrangements

- PE time has been increased for KS2 children to reflect the changes to their active lives outside of school in Tier 4
- Mindfulness will be used when necessary
- Music will be restricted initially due to guidance of no singing in large groups, inside and no wind instruments to be used
- Daily reading lessons have been added to ensure we 'catch-up' with children's reading skills
- Maths lessons have been extended to allow for revision and 'catch-up' time within every lesson
- Children will come to school in PE kit the day or days that they have PE to reduce the need for changing in classrooms
- Children can bring 2 water bottles to reduce the need to re-fill drinks during the day in toilets or by adults touching pupils' water bottles
- Children will be able to take reading books home and when they are returned, they will go in to a quarantine box for 3 days before being returned to the shelf for someone else to choose. This will reduce the transmission of the disease from other households.
- Homework will mostly be set using Teams and Century

Role of teaching assistants

- Additional adult in every bubble to allow for phonics teaching, interventions, Sen support, challenge for higher ability and any pastoral issue that may arise

Cleaning

- Cleaning team will be following all government guidance and checked by M Bott
- Cleaning will be done at the start of every day and toilets and classrooms will be cleaned regularly throughout the day
- The dining hall will be cleaned in between each group of children

Toilets

- These will be cleaned twice a day. 3 x a day for the toilets used by 3 classes
- Signage displays how many children are allowed in at any one time, staff will supervise this

Staffroom and offices

- Signage displays how many members of staff can be in these shared spaces at any one time
- Hand sanitiser dispensers are situated outside all of these areas for staff to gel on the way in and the way out of these spaces.

The Bridge

- Breakfast and After School Club will be available for parents in need of child-care in order to maintain working in key roles, as long as there is access to sufficient numbers of qualified staff
- Booking will need to be made in advance to allow us to assess the needed staff ratios and child requirements as well as allowing information for contact tracing

November 2021

- Children will sit on tables in their year group classes and mixing will be avoided as much as possible inside. The Bridge will be in the school hall to allow good ventilation and space
- Children from different year groups will not sit together. Each year group will have a designated table to sit at
- Staff will try to stay a 2m distance from the children
- Children will wash hands on entrance and exit to The Bridge
- Staff will clean toilets used by The Bridge before after school club
